About Hackaccino

Hackaccino, Bennett University's premier hackathon by CSI BU, foster innovation and collaboration. With 5000+ registrations in its first three editions, it aims to make Hackaccino 4.0 the region's biggest student run hackathon.

Hackaccino 2.0

[2024]

Hackaccino 2.0 was a 24-hour hackathon with 1800+ registrations, 500+ participants, and 3700+ active website users. Participants tackled real-world challenges with expert guidance and were provided top-notch accommodation and timely meals, ensuring a seamless experience.

Hackaccino 3.0

[2025]

Hackaccino 3.0 was a 24-hour open-solution hackathon that brought together over 3600+ registrations and 1000+ participants from 40+ colleges. With 230+ teams competing across diverse tracks like AI/ML, Web3, and AR/VR, the event featured expert mentorship, hands-on workshops, and top-tier amenities for participants. Organized by CSI Bennett University, Hackaccino 3.0 marked one of the largest and most dynamic student-led hackathons in the region, and the biggest tech event on campus till date.

Hackaccino 4.0

April 2026 (Tentative)

Hackaccino 4.0 at Bennett University aims to push the boundaries of innovation with a 24-hour Open-Solution Hackathon. It encourages developers, designers, and innovators to tackle real-world challenges while fostering creativity, teamwork, and problem-solving. The event targets 5000+ registrations, 1500+ attendees, partnerships with 50+ communities, and outreach to 60+ colleges. Audience: 18–22 years, including tech enthusiasts, students, faculty, and industry experts.
